MIGHT'S 1967 COMBINED

METROPOLITAN WINDSOR

STREET, HOUSEHOLDERS and BUSINESS GUIDE
and
HOME OWNERSHIP OR TENANCY DIRECTORY

STREETS ARE ARRANGED IN ALPHABETICAL SEQUENCE SHOWING:

1.—Location and description of each street.
2.—Points on each street where other streets cross.
3.—Name of the occupant at each number on every street listed.
4.—Whether occupant at each number is the Owner or Tenant.
5.—Telephone number, where obtainable, at each address.

- The Profession, Line of Business, etc., of individuals and firms is shown in this section opposite their respective places of business. To find the occupation of householders please refer to the white page alphabetical list of names.

- Where applicable, abbreviations such as Av, Rd, Blvd, Cres, etc., immediately follow street names. If no such abbreviation appears then "Street" is understood.

- The Symbol (*) following the residence number, indicates that to the best of our knowledge someone living in the house is the owner.

- A dash (—) after a residence or building number indicates that the occupants were absent at the time of our enumerator's original call and subsequent calls and therefore information for this address was unobtainable.

- "Vacant" buildings are so designated.

- Telephone numbers, as supplied to us on our enumeration, are shown opposite names.
